**ASSENTED-TO MOTION TO EXTEND TIME**

The United States, with the assent of the defendant, moves to extend the time by which it must respond to his Motion To Suppress up to and including October 7, 2005. In support of its motion the United States says the following:

1. The requested extension is necessary for the government to adequately prepare its response to defendant's motion. (In particular it is necessary to allow the government to confer with the relevant police officers).
2. The extension is only for one week.
3. The defendant assents to the extension.

Respectfully submitted,

MICHAEL J. SULLIVAN
